OPPORTUNITIES IN THE NETWORK

EAST NIGHT OUT

Annual, student-led events on a local level to celebrate and establish new community connections.

ADMINISTRATOR & STAKEHOLDER TRAINING

Training for administrators and stakeholders on providing quality support on all levels to an EAST program.

EAST SEMINAR

Professional development experience for EAST facilitators led by industry professionals and members of the EAST network.

PHASE TRAINING

Three sets of developmental training for EAST facilitators in the EAST network.

EAST
EDUCATION UNLEASHED

Looking for professional development?

High quality, customizable, technology-rich, professional development for all educators.

Visit EducationUnleashed.org

+ BENEFITS

Research of the EAST model shows that EAST students see:

- Fewer disciplinary referrals
- Greater college-going rates and stronger career readiness
- Improved communication and presentation skills
- Greater concern for the well being of their community
- Greater comfort and proficiency with new and emerging technologies
- Higher standardized test scores
- Improved leadership skills
