Looking for professional development?
High quality, customizable, technology-rich, professional development for all educators.
Visit www.EducationUnleashed.org

BENEFITS
Research of the EAST model shows that EAST students see:

• Fewer disciplinary referrals
• Greater college-going rates and stronger career readiness
• Improved communication and presentation skills
• Greater concern for the well being of their community
• Greater comfort and proficiency with new and emerging technologies
• Higher standardized test scores
• Improved leadership skills
